Open Enrollment

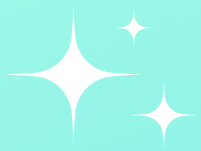

Starts Saturday, August 31st (9am)

Via online: Click "Family Login" at the top of our website

Registration always opens first to current, full season families, and then opens to the public if any classes still have availability. We truly wish we had room to accommodate every dancer and family who wishes to join us, but we typically do have limited availability.

Once registration opens to the public, spaces are filled on a first come first served basis and the registration process is done completely online.

Our leveled classes begin around the age of 9 and students are placed by ability by our teaching team. Our leveled classes are intended for dancers who have displayed great focus in class, a willingness to learn & apply corrections, proper technique and are ready to take their dance education more seriously.
